Al Mal Claims Equity Fund Manager Award, UAE, 2013

Capital Finance International (CFI.co) Judging Panel confirms the award for Best UAE Equity Fund Manager to Al Mal Capital, Dubai based Investment Company. The judges compliment the firm on its extensive range of asset management products including equity, fixed income, private equity, real estate and money market funds. Al Mal products have demonstrated solid performance led by its team of passionate investment managers, which have attained numerous awards during the past several years including best 3 year performance for UAE Equity Fund and best MENA Fixed Income Fund in 2013.

The Capital Finance International Judging Panel review information generated during the nomination process and draw on voter input and members expertise to identify candidates for award consideration.

“We are extremely pleased to have received recognition for our notable expertise in the UAE. Al Mal Capital has been at the forefront of providing investors with a broad range of products for investing in the MENA region over the last 8 years”, said Naser Nabulsi Vice-Chairman of Al Mal. “Our team focuses its efforts within the MENA region, investing through a variety of market environments” added Mr Nabulsi.

“We are very pleased with the long term performance of our funds, particularly Al Mal UAE Equity Fund, which continues to deliver superior performance despite the ups and downs over the past years, particularly in 2008/2009.” said Tariq Qaqish, Head of Asset Management. “Al Mal UAE Equity Fund maintained its track record and outperformed S&P UAE Index by 57% since inception. Across all investment strategies, Al Mal employs a top down bottom-up approach, fundamental investment philosophy, with a focus on long-term investment performance.” furthered Mr Qaqish.

About CFI.co

CFI.co award programmes identify individuals and organisations large and small that truly add value, and want to demonstrate through these programmes the many ways in which the economies of the world are converging. CFI also considers boutique companies not prevalent on the international stage but still contributing to global progress and are keen to applaud firms operating in niche areas. Initial nominations are based on input from readers, subscribers, contributors and visitors to their web site.

CFI.co is a print journal and online resource reporting on business, economics and finance, and is headquartered in London, UK. CFI.co brings coverage and analysis of the drivers behind change by combining the views of leading multilateral and national organisations with thought leadership from some of the world's top minds.

CFI provides news, analysis and commentary on the markets worldwide, addressing economic, political and business factors affecting the markets as well help identify regions, industry sectors and companies that will succeed.
